GUIDELINES FOR SCIENTIFIC PAPER PRESENTATION

IAP-TNSC has been encouraging its members to promote research and present it within the community. In this regard, Fellow, Life and Associate Life Members of **Tamilnadu and Pondicherry (IAP-TNSC)** can present scientific papers during the Annual State Conference. The research work can be presented for the following awards.

Award	Duration
Dr. V. Balagopala Raju Award	10 min (Presentation) & 5 min (discussion)
Dr. K. A. Krishnamoorthy award	10 min (Presentation) & 5 min (discussion)
Dr. B. R. Santhanakrishnan award - Teaching Institution	8 min (Presentation) & 2 min (discussion)
Dr. B. R. Santhanakrishnan award - Non Teaching Institution	8 min (Presentation) & 2 min (discussion)
Dr. T. Rajagopal award	6 min (Presentation) & 2 min (discussion)
Dr. A. Parthasarathy Award	10 min (Presentation) & 5 min (discussion)
E-posters- For Tamil Nadu & Pondicherry	2 min (Presentation) & 1 min (discussion)
E-posters- For Non Tamil Nadu & Pondicherry	2 min (Presentation) & 1 min (discussion)

Timeline

- Last date for acceptance of research work - **15th June 2025**
- Announcement of shortlisted Papers - **15th July 2025**
- Submission of PowerPoint presentation- at least 3 days before the start of the conference
- Days of Presentation (Can be modified to suit the conference programme)
- Dr. V. Balagopala Raju Award Day 2
- Dr. K. A. Krishnamoorthy award Day 2
- E-posters Day 2
- Dr. A. Parthasarathy Award Day 3
- Dr. B. R. Santhanakrishnan award - Teaching & Non Teaching Institution Day 3
- Dr. T. Rajagopal award Day 3

GUIDELINES FOR DR. V. BALAGOPALA RAJU AWARD

Fellow, Life and Associate Life Members of **Tamilnadu and Pondicherry (IAP-TNSC)** can send scientific papers for **Dr. V. Balagopala Raju Award** during the Annual State Conference. The author and co-authors should be IAP members

One award for the best paper (Oral presentation) in 'General Pediatrics including Neonatology' will be given.

The submission should report research in clinical pediatrics including randomized clinical trials, interventional studies, cohort and case-control studies, meta-analysis and cost-effectiveness analyses. Descriptive studies, surveys, case records/series, pilot interventional studies, and secondary analyses of data are not preferred.

Studies should meet the following criteria

- Topic has general pediatric interest
- Original Material
- Study methods are ethical and appropriate
- Data are sound
- Conclusions are reasonable and supported by the data
- Manuscript is written in good English.

Each manuscript should be accompanied by structured abstract in not more than 300 words.

The 7 subheadings of the structured abstract should be:

1. Background
2. Objectives
3. Study design and Methods
4. Outcomes
5. Statistical Analysis
6. Results
7. Conclusion

The main text of the manuscript should be arranged in sections on Introduction, Methods, Results and Discussion. Methods section should always include a sub-heading of

'Statistical analysis.' Key messages should be provided separately at the end of the manuscript. Number of tables and figures should be limited to a maximum of **THREE** and **TWO** respectively. The number of words shall not exceed 2500 (excluding title page, abstract, tables, figures, acknowledgments, key messages and references). Number of references should be limited to 25

- The papers should be accompanied by the duly filled submission form. False details furnished will entail rejection of the paper/ poster.
- Only online submission of papers will be accepted.
- Registration for the conference is a must for submission of the paper
- The work for the paper should have been done in Tamil Nadu and Pondicherry only. First author shall be the presenter and should have been a part of the team that had done the work. Presenter should be less than 40 years at the time of presentation. Proof of age should be sent by presenters of shortlisted papers. First author should register for the conference.
- Co-authors of the paper can be more than 40 years of age. In case of non-pediatric specialities, co-authors need not be IAP members. **A maximum of FIVE co-authors is allowed for the submitted paper.**
- The paper should not have been presented at any other conference, published or sent for publication until the time of the presentation. **Three independent judges** will be appointed by the **Core committee of IAP-TNSC** to adjudge the submitted papers. The judges will evaluate the papers based on six point criteria, and the maximum marks allotted will be 60 per judge. The top three papers will be shortlisted for oral presentation at the conference. Shortlisted authors will be informed well in advance for presentation in the conference.
- Three independent judges, appointed by the Core committee of IAP will assess the selected papers during the oral presentation. The judges will evaluate the papers based on **eight point** criteria, and the maximum marks allotted will be 40 per judge. The marks of the manuscript and oral presentation will be added and the highest scoring paper shall receive the award. Award may not be given if the papers do not meet adequate standards, and this decision shall be made by the judges of the oral presentations.
- Each presenter will be given **TEN** minutes for presentation and will have **FIVE** minutes for discussion. Questions will be only from the judges and will be answered by the presenter

only.

- The presenter of victorious paper will be given a medal and certificate. Co-authors will be given certificates only. Presenters and Co-authors of the other papers selected for oral presentation will be given runner up certificates.
- **The participants, who have not been selected for the Oral presentation (authors and co authors) will receive e-certificates only.**
- Submissions without the duly filled form / sent later than the cut - off date will be summarily rejected.
- The filled form should be sent through the following google link - <https://forms.gle/RMp4VBgRDUG4pLHBA>

ASSESSMENT CRITERIA

Dr. V. Balagopala Raju Award, Dr. K. A. Krishnamoorthy award,

Dr. B. R. Santhanakrishnan award, Dr. A. Parthasarathy Award

• Written Paper - 60 marks

1. Originality / Applicability / Reproducibility	10
2. Introduction, Aims & Objectives	10
3. Study design / Methods	10
4. Statistical analysis	10
5. Observations	10
6. Discussion and Message	10

• Oral Presentation - 40 marks

1. Relevance of the study	5
2. Methods	5
3. Statistical Analysis	5
4. Validity of Conclusion	5
5. Time	5
6. Presentation	5
7. Slides	5
8. Discussion and answer to Questions	5

ASSOCIATION OF PEDIATRICS

இந்திய குழந்தை மருத்துவக் குழுமம் - தமிழ்நாடு மாநிலப் பிரிவு

ASSESSMENT CRITERIA

Dr. T. Rajagopal award

- Written Abstract - 35 marks - only for shortlisting papers for presentation, **NOT** for cumulative scores, unless there is a tie.

1. Originality (innovativeness) of the study	5
2. Appropriateness and applicability in the current context	5
3. Study design / Methods	5
4. Analysis	5
5. Results	5
6. Conclusions reasonable & supported by the data	5
7. Quality of the abstract (Language, grammar, writing style)	5

- Oral Presentation - 40 marks

1. Relevance of the study	5
2. Methods	5
3. Statistical Analysis	5
4. Validity of Conclusion	5
5. Time	5
6. Presentation	5
7. Slides	5
8. Discussion and answer to Questions	5
